about us

We believe that God longs to have each and every person be reconciled to Himself, and that the way that re-connection happens is through the representation of his people. **Each of us who takes on the identity of "Christian" becomes Christ's ambassador - or christou apostoloi in Greek, which we shorten to the first letters "Chi" and "Alpha" or XA.**

Our name is our constant reminder that each of us has a real part to play in this world. We each can carry Him within us to bring Him closer to the people around us.

Chi Alpha wants to be a fellowship who believes and trusts in a big God as He revealed Himself to us in the Bible. He is limitless, loving, faithful, personal, and supernatural (yes, He can still part the Red Sea and help you pass Calculus!)

Chi Alpha wants to be a fellowship of believers who are radically in love with Jesus- a group who lives out the Great Commandment "to love the Lord your God with all your heart, soul, mind and strength" on a daily basis. (Mark 12:29-31)

Chi Alpha wants to be a fellowship who sees the Great Commission- to go and make disciples of all nations- as its personal mandate by living lives to reach those God has put around us here at the UVA as well as those around the world!

Chi Alpha is a fellowship who desires to be transformed into the image of Christ and purposefully lives their lives in a way that will help them be who God wants them to be! (Romans 8:29)

we are therefore **CHRIST'S** ambassadors as though **GOD** were making **HIS** appeal through us

we implore you on **Christ's** behalf be reconciled to **God.**

2 Corinthians 5:20
